Warning Letter Re: FPPC No. 11/407; Randall Mullan, Respondent

Dear Mr. Mullan:

The Fair Political Practices Commission (the "FPPC") enforces the provisions of the Political Reform Act (the "Act"),¹ found in Government Code section 81000, et seq. This letter is in response to a pro-active investigation begun against you by the FPPC that alleged that as a Senior Portfolio Manager for the California Public Employees Retirement System, you failed to report the receipt of a gift on your 2009 Annual Statement of Economic Interests ("SEI").

The FPPC has completed its investigation of the facts in this case. Specifically, the FPPC found that you failed to report the total value of all gifts of meals received in 2009 from MacQuarie Bank, Ltd. On your annual statement, you reported receipt of gifts valued at \$75 from MacQuarie Bank, Ltd., but on your amended statement, you reported the value of gifts of meals at \$125.

The Act provides that for gifts that aggregate fifty dollars (\$50) or more in value from a single source, a public official must disclose the name and address of each source of the gift; the amount of the gift and the date on which the gift(s) was received. (Section 87207.)

Your actions violated the Act because you failed to timely report the accurate value of the gift noted above on your 2009 Annual SEI. However, since you filed an amendment to report the correct value and since you reported other gifts from this donor in a timely manner, and the gift received was just over the \$50 reporting threshold, we are closing our file on this matter.

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission are contained in sections 18109 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an FPPC case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Fair Political Practices Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the FPPC's website ten (10) days from the date of this letter.

Please feel free to contact me with any questions you may have regarding this letter.

Sincerely,
